**RE: Mohs Hardness Test Results**

Dear Sir,

On December 30, 2010, Metro performed a Mohs Hardness test on six representative pieces of a processed rock sample provided by you to Metro. The hardness test results are contained in Table 1 below.

**Table 1: Mohs Hardness test results**

Sample	Result
1	7 - 8
2	7 - 8
3	6 - 7
4	6 - 7
5	6 - 7
6	8 - 9

A photograph of the chosen representative pieces is attached as Figure 1.

We trust that this report meets your current requirements. Please call 604.436.9111 if you have any questions.

Yours truly,

**Metro Testing Laboratories Ltd.**
